This box determines which version of your transcript will be sent if you request a transcript. If you have multiple versions saved, be sure the one you want sent is selected as "Make this my current transcript for Parchment" **before** you place your order.

Select the engagements you want to show up on your transcript by checking the boxes to the left of the engagement name. The box will turn blue and the engagement will highlight in garnet when selected for inclusion.

Engagements with multiple sessions of attendance can only be added once to the USC Experience transcript.
